

# GLOBAL SHIPPERS

BY CJ INTERNATIONAL FREIGHT

# THIS IS WHO WE ARE

We love to think and act out of the box, beyond limits and boundaries. We are young with all the energy put into granting high value service, with the passion that foreign trade demands.

We are a team, but for you a single contact. We are here and everywhere, taking care of your cargo and working in your peace of mind.

Sincere and honest, we believe in an open, connected and human world.

Definitely import and export merchandise all over the world, it should be simple for everyone... thats why... make it globall

# MAKE IT GLOBALL

# VISION

To be recognized as the leading logistics operator and reference in the world for our quality of service, simplicity and efficiency when managing the cargo of our clients who operate with international logistics.

# MISSION

Guarantee the success of our customers in their international businesses through the development of logistics strategies: managing, designing and making more efficient part or all of the logistics chain with special emphasis on clear services and making it simple
